July 3, 2020

Dear family and friends,

Happy 4th of July! I hope your family celebration will be joyful and very safe.

For this week, I am pleased to let you know that there are no new positive cases of COVID-19 in our Home. We continue to hope and pray for it to remain this way.

Unfortunately, as COVID-19 cases rise throughout the state, restrictions for social interaction are still in place. I know that many of you have enjoyed the balcony visits with your loved ones here at the Home. We are happy that at least we do have a way for you to see them, even from a distance. Moving forward, for good order and organization, please schedule these visits with the Sisters in charge of the halls and not only with your family members here. This way, you can spend quality family time together. For RCFE, please call, Sr. Anna Marie (green hall), ext. 209 and Sr. Paul (blue hall) ext. 202. For Skilled Nursing: Sr. Mary Pascale (orange hall) ext. 215 and Sr. Cecilia (gold hall) ext. 225.

Again, thank you for everything you do and share with us. For those who are asking for items we need, we could use batteries (AA, AAA and 9V).

Have a wonderful holiday weekend!

God Bless You.
