

September 4, 2020

Dear family and friends,

I hope you and your family are well and safe.

I am pleased to announce that all COVID-19 tests have again come back negative. The Home is infection free. Please join us in thanking God for our good results.

Good news! We are now going to slowly begin taking in new Residents, abiding by SFPDPH and CDC's guidelines. It has been more than 6 months since our last admission. We feel happy, excited and hopeful knowing that we can now accept Residents who need care and a place to call their Home.

Know that our dedicated Sisters and staff have been working tirelessly in making sure that your loved ones remain healthy and safe. We trust that you are continuously in contact with your family here. The extra attention you give provides a lifeline and even tiny movements of reaching out can make such a difference. Let us motivate them to look forward and remain hopeful for new and better days ahead!

This weekend, we will be having our Labor Day picnic celebration. I hope you have something fun to do with your family as well.

Have a safe and wonderful holiday weekend!

Thank you and may God Bless You.
